

The Big Breakthrough in Spa Pools is Here!

Hands-free maintenance
No more smelly chemicals
Environmentally responsible

Enjoy the absolute best lifetime ownership experience with a Hot Spring® spa and the ACE salt water sanitising system. We've revolutionised the way spa pool owners care for their water by offering the first and only integrated salt water sanitising system using diamond technology.

A Hot Spring spa fitted with ACE makes its own natural chemicals and cleans itself and....

- Saves Time
- Saves Power
- Saves Money
- Saves Water

The world's number one selling spa now with **Diamond-technology ACE Salt Water Sanitising** available with all premium models.

ACE™
Salt Water Sanitising System

**EXPERIENCE
